## Safeguarding our students in the building

All visitors to the school must sign in at main reception, where they will be issued with the appropriate 'Visitor's lanyard' (see below) and key safeguarding information. Please report to reception if you have misplaced the lanyard given to you on arrival.

**This is to protect you and our students.**

If you believe a person is on site and not authorised to be so, please ask them to report to main reception or contact a member of SLT immediately. School staff and Sixth Form students should wear their lanyard and photo ID at all times.

## General Safeguarding of Students

If you feel vulnerable at any time you must tell a member of staff. This could be anyone you feel comfortable talking to. You should tell someone about any risk of harm from an adult whether that is at school, at home, on a school trip or on a work placement or in the community. All of our staff have been trained in Safeguarding and Child Protection.

# Attendance and Punctuality

- Students should be on site by 8.35am and at tutor bases ready for 8.40am
- Students should aim for attendance of 96% and above
- Good attendance and punctuality lead to stronger academic progress, disruption-free learning for all and build a strong foundation for life beyond school
- We ask for daily contact through Microsoft Forms (link on website) if your child is absent
- We ask parents to work with the school where there are issues with attendance
- From 1st September 2024 we have adopted the LSP attendance policy (this can be found on our website)

# Parental Communication

## Student related queries

The contact forms have now been replaced by our central email address for student related queries [mailbox@gordanoschool.org.uk](mailto:mailbox@gordanoschool.org.uk). This mailbox will be monitored during normal school hours, and we aim to respond within 3 working days, during term-time.

To help us deal with your query as efficiently as possible, please include the full name of the student, tutor group and the name of the staff member you wish to contact (if known).

We would also like to remind you that key parental communications and information relating to term dates, uniform, catering etc can be found on the [school website](#).

## **SEND:**

# Why do we launch the year with an assembly on expectations?

- It acts as a foundation for a successful and productive year ahead
- It sets a clear tone and understanding of behavioural, academic and cultural expectations for students and all members of the community
- It provides an opportunity to align everyone's understanding of the values, goals and standards of our school community
- It allows us to provide a positive and cohesive environment from the very start

- High expectations of behaviour are crucial because they create a positive and structured learning environment that benefits both individuals and the community as a whole
- This year, **Kindness, Resilience and Teamwork** will sit at the heart of everything we do

# How to Apply

## Google Search: *Free School Meals North Somerset*

The screenshot shows the North Somerset Council website. The top navigation bar includes links for SERVICES, BUSINESS, MY COUNCIL, DO IT ONLINE, CONTACT US, and NEWS. A search bar is present with the placeholder text 'What are you looking for?' and a 'Search' button. The breadcrumb trail reads: HOME > MY SERVICES > SCHOOLS AND LEARNING > LOCAL SCHOOLS > FREE SCHOOL MEALS. On the left, a sidebar menu contains icons and links for Local schools, Becoming a governor, Bullying in schools, Crossing patrols, Expansion of Baytree School, and Find your local school. The main content area is titled 'Free school meals' and features a highlighted box with an information icon (i) containing the text: 'Free holiday provision during the Christmas, Easter and summer holidays'. Below this, it states: 'Children receiving benefit related free school meals can access free holiday provision during the holidays.' and provides a link: '[find out how your child can access free holiday provision through the Holiday, Activities and Food \(HAF\) programme](#)'. Further down, it says 'There are two schemes for free school meals:' followed by a bulleted list: '• universal infant free school meals for all children in reception year, year 1 and year 2 - you don't need to apply as they're automatically given at the school' and '• free school meals for people on qualifying benefits - you'll need to apply for these'. At the bottom, it notes: 'If you claim qualifying benefits and your child is entitled to universal infant school meals, you should still apply for free school meals so:'.

- Scroll down the page and click the blue button
- Answer the questions
- Immediate response
- If eligible, send the reference code to the school parent mailbox address
- It will take 2 working days for Aspens canteen account to be activated

- If your child stays in the same school, you don't need to do anything at this time. Your free school meals will continue until the end of Year 6 for Primary Schools and the end of Year 11 for Secondary Schools. Please do not reapply as you may lose your entitlement.
- If your child moves from primary to secondary school in North Somerset in September 2024, you don't need to do anything. Your free school meals will continue and we will update the new school – please do not reapply as you may lose your entitlement. The exception is if your child moves from a non-North Somerset school to a North Somerset school, then you will need to apply on our free school meals system so we can transfer your eligibility.
- If your child moves school during the school year, please email us and we will update your free school meals record for you – please do not reapply as you may lose your entitlement.

Children do not receive free school meals in college.

If your child has free school meals at a school outside of North Somerset and they are changing to a North Somerset school, you will need to reapply on our system so we can transfer your eligibility.

We will update this page in January 2025 to give further details on the government changes to free school meals that are due in April 2025.
